## Who are we?

Verve Dance Festival began in 2020 over this time we have grown from 400 entries to over 1000 entries, and we have introduced 166 sections, some the region has never seen before. Verve Dance Festival is a 5 day 4 night event in January each year and is like no other the region has seen. The vibe is always electric and entrants have so much fun.

In 2022 Verve was chosen as the first official qualifying event on the dance calendar each year for a prestigious dance competition, Showcase National Dance Championships on the Gold Coast. Where anyone placing first, second or third at Verve Dance Festival automatically qualifies for the finials.

Verve gives competitors another opportunity to showcase their talents, whilst bringing people to the Burdekin. Being in the school holidays makes it a lot easier for competitors, not having to miss school to attend, most families making a family holiday whilst here.

Verve Dance Festival is a family friendly competition for anyone 3 years and over.
